Application for Annual Achievement Award

WHO ARE WE AND WHAT DO WE DO?

THE TOWN OF FALLSBURG LIONS CLUB is one of the largest Clubs in New York State. As such, we are pleased to offer annual Achievement Awards to graduating high school seniors who exemplify the ideals set forth in our Criteria. We know you are one of those Individuals and, as such, we hope to see you continue in service to your community, either as a LION or in another civic service capacity. These documents will help guide you through our application process and we take this opportunity to wish you a bright future.

THE TOWN OF FALLSBURG LIONS CLUB has been in existence for almost a half century. We are only one of thousands of LIONS Clubs, worldwide, united under the umbrella of LIONS INTERNATIONAL and linked together by specific service goals and purposes. One of the earliest and most famous LIONS was the legendary HELEN KELLER.

Although the main objective of "Lionism" is to assist the SIGHT AND HEARING IMPAIRED within our communities, LIONS have, over the years, branched out into other service areas as well. We are a true service organization, in that we believe and practice the concept of "being our brothers' keepers" within the areas served by our individual Clubs, whether in Stockholm, Sweden...London, England...Kiev, Russia or Fallsburg, New York.

"HOW DO LIONS KEEP BUSY?"

- We fund and build major eye care centers;
- We educate the public to the importance of guarding their sight and hearing against the ravages of disease;
- We arrange for eye and hearing exams at every school level;
- We transport precious donor corneas to hospitals for patients awaiting transplants;
- We arrange for and transport individuals to eye doctor and audiologist visits;
- We collect millions of pairs of new and used eyeglasses each year for recycling in third-world countries;
- We hold several annual fundraisers, such as bar-b-ques and golf tournaments which help finance our work;
- We build ball fields for youth, day camps for physically challenged children and adults;
- We gather several times each month, locally, to update ongoing projects and initiate new ventures AND we attend District, State, National and International LION Conventions to share views and ideas on new medical care and internal government of our Clubs.

We wish you the best of luck in your quest for one of these prestigious "Achievement Awards," and please remember...include community service in your future!
