

MARK YOUR CALENDARS! WEDNESDAY IS “ZAP MOSQUITOES: DUMP YOUR WATER DAY”

Sullivan County Public Health Services encourages all residents to “Dump Your Water” every Wednesday in an effort to reduce the number of mosquitoes potentially carrying Zika virus and other mosquito borne illnesses.

Dump, clean, scrub or throw out items that hold water such as:

- | | |
|------------------|------------|
| Buckets | Planters |
| Tires | Toys |
| Pools | Flowerpots |
| Trash Containers | |

If you can't dump your standing water, use a mosquito dunk (larvicide) kit, available for free by calling:

1-888-364-4723

**For more information, call Sullivan County Public Health Services:
845-292-5910, Ext. 0**
