SUPERINTENDENT'S CORNER

Dear School Community Member:

I hope this issue of the newsletter finds you in the best of health and spirit as the summer season is finally arriving. The 2017-18 budget season resulted in budget and building project propositions that passed on May 16th. On behalf of the Fallsburg Central School District I would like to thank the school community for continuing to support us!

The Board of Education

Congratulations to Renee Kates who won a seat on the Board of Education. Joe Collura and Kathy Rappaport won their seats as well and will continue serving as Board of Education members. A special thank you goes out to Ann Benson who served as a board member for the past several years. We wish Ann success in her future endeavors.

Budget Update

The approved budget for the 2017-18 school year is \$43,123,663. This is the budget number that the public voted on and approved on May 16th. The tax levy that goes along with this budget number is a 1.99% (\$377,902) increase over the previous tax levy. To get to this number the

Board applied \$1,687,128 from the general fund towards the tax levy to keep it low enough to support an increase of 1.99%. A state aid increase of \$466,151 in the approved State Budget helped us moderate the tax levy increase.

Building Project Update

On May 16th, the public voted on and approved a building project that will cost \$15.9 million dollars. We are anticipating that we will receive New York State building aid at a minimum of 73.9%. This means that we would get about 74 cents back on each dollar spent on the building project. Because we are receiving such high aid back from the State, the \$15.9 million-dollar project will ultimately cost taxpayers about \$8.5 million dollars (which is the net local share of \$5.6 million plus the total interest less total state aid over the life of the loan).

On June 13th, the building project Board committee continued the planning process with a kickoff meeting. The purpose of the meeting was to set the stage for the process moving forward. Construction is set to take place over two summers. The first summer of work will begin in July of 2018 and the project will conclude at the end of August

2019. Between now and the summer of 2018, all the background work will take place to set the stage for construction to begin. It will take several months to create capital project documentation that will be followed by approvals from the New York State Education Department (NYSED). The wait for approval from NYSED is approximately 30 weeks from the time of submission. Once we receive approval from NYSED, then we can put the project out to bid and award contracts. This should all be completed for construction to begin in July of 2018. I will continue to keep you posted as the project progresses.

The Class of 2017

Finally, I would like to take a moment to congratulate the graduating class of 2017. Graduation day will be their special time to step over the threshold of high school and walk into a new world beyond the school-house gate. On behalf of the Fallsburg Central School District I wish the graduating class of 2017 all the success that they wish for themselves

Educationally yours,

Ivan J. Katz, Ed.D.

FROM THE ELEMENTARY PRINCIPAL

As our school year rapidly comes to a close, we would like to wish the graduating classes of 2017 our very best! Our 6th graders are anxiously awaiting their graduation ceremony and move to the JSHS while our Seniors are eagerly anticipating all that life will offer them as they begin the next chapter of their lives!

On Monday, June 12th, the students and staff of BCES were honored to see our former alumni return to "walk the halls" where many started their educational journey. Our students watched in adoration and our staff looked on full of pride to see how far our "children" have come.

To the graduating class of 2017, we wish you much success and happiness! We are proud of your accomplishments and know that you will go far in life because you have been given a strong foundation in school and at home.

We wish our families and community members a safe, healthy and fun-filled summer! We look forward to seeing everyone on September 6th!

Mary Kate Stinehour

From the Elementary Assistant Principal

Research-based education is alive and well at Benjamin Cosor Elementary School! Mrs. Calabrese's Pre-K students have participated in several research projects throughout the year. The students improve upon their basic math skills, as well as the proper way to speak with adults.

In their first survey, the children "made the rounds," and asked many adults what topping they preferred on their hot chocolate - marshmallows or whipped cream. The participants, upon completion of the survey, got to partake in a delicious cup of hot chocolate.

Substituting different matzo toppings, later in the year, the students duplicated this survey. The Pre-K students asked the adults to decide between "no topping," "butter," "butter and sugar," and "jelly."

In preparation for Easter, the students constructed "Easter Bunny cookies." Once they completed this task, the students conducted an in-house

survey about which of the ingredients they preferred.

The work, and, of course, the food, was enjoyed by all!

Finally, as I write this article, it is the middle of June, and the students and teachers are in the process of "winding down" the school year. While the Pre-K through grade 5 students are looking forward to their next year's class and teacher, the 6th graders are anticipating the grade 6 dance, the grade 6 graduation, and the "big move" up the hill to the Fallsburg Jr.-Sr. High School! We wish them the best of luck, and know that they will enjoy their new experiences in their new school!

BCES Talent Show

On May 26, 2017, the PTA at BCES presented the Annual Talent Show to a delighted audience of parents, families, and friends. The audience was dancing in the aisles, waving cell phone flashlights, and applauding their children performing on the big stage at Fallsburg High School Auditorium. Kudos to the PTA for all the hard work of organizing this wonderful event.

Fallsburg Honors a Decades Long Tradition of Scholarship

Fallsburg Central School District has been awarding Community Scholarships to worthy members of the senior class each year for over sixty-five years. The tradition continued on Sunday, May 7th, 2017, with the honoring of eleven students and their families with scholarships at the annual Blossom Cohen Luncheon at Bernie's Holiday Restaurant in Rock Hill, NY.

Winners of Samuel Beytin Community Scholarships were Rebecca Budrock, Merime Cenovic, Mary Elizabeth Kellerman, Megan Langeland, Olav Peterson Langeland, and Pu (Samuel) Zheng. Brittany Mackiel earned two awards: Candy Gold Bolton Memorial and Nancy Solomon Memorial Scholarships. The Edward Bryan Memorial Scholarship went to Abigail Langeland. Brittany Leventoff received the Milton Brizel Memorial Scholarship, and Alexandria Porter earned the Blossom Cohen Memorial Scholarship. Grace Strauss received the Esther Mintz Flanagan Scholarship in memory of her parents Sarah and Isidor Mintz. Two students won honor awards for highest academic averages - Olav Peterson Langeland and Pu (Samuel) Zheng.

the past, or are majoring in Business. It also acknowledges students who have showed significant growth as individuals. Once again we made enough money so that 2 students will receive \$300 each.

Mrs. Veronica Serrano in the Spanish class; Mr. Scott Persten in the English class; in first grade will be Mrs. Jeanette Espinoza in Spanish; and Mr. Dominick Scanna in English.

During his presentation, Dr. Evans highlighted the benefits of bilingual education in a young student's learning. Participating students will develop literacy skills in English and Spanish. Bilingual children show improved cognition in brain skills. Adults with bilingual skills have greater work opportunities and earn more money.

The club ran "The School Store" after school. Students learned important business skills such as price setting, working with others to plan a course of action, setting up for business, how to greet and serve customers, counting money, and calculating profits and losses.

This year's recipients are Nicholas Sacadura and Camron Batres. We would like to congratulate them as they graduate this June.

Good luck to them both!

Ms. Reid

Adviser, Young Entrepreneur's Club

Seniors vs Staff

On May 22nd, 2017 in the Fallsburg High School Gymnasium, the Senior Class competed against a staff team in volleyball, indoor soccer and basketball.

The staff won in volleyball two games to none. The seniors triumphed in both soccer and basketball. The basketball game went right down to the end of the game, with the final score 45 to 43.

FCSD Introduces Dual Language Program at Annual ENL Event

Fallsburg Central School District teachers of English as a new language (ENL) hosted their annual English Language Learner Expo for parents and families of students on June 2nd, 2017 in the BCES cafeteria.

During the evening, Assistant Superintendent of Instruction Dr. Matthew Evans, with translation from ENL teacher Mrs. Martha Zalkin, informed parents about an exciting, new Dual Language Program (DLP) coming to FCSD this fall. New York State Education Department (NYSED) supports this program.

Intended for kindergarten and first grade students, one DLP class in English and one in Spanish will alternate days in each grade. The classes will be continuous - that is, the lesson the second day will build on the lesson of the prior day throughout the semester. The kindergarten teachers will be

Fallsburg Students Awarded Grand Prizes in Annual Poster Contest

At the 23rd Annual County-wide Alcohol, Tobacco, Gambling & Drug Abuse Poster Contest, Fallsburg High School students *Kathleen Houghtaling* and *Stephenie Canales* won Grand Prizes for their posters in English and Spanish respectively. Ms. Houghtaling is a 10th grader and Ms. Canales is a 9th

At the end of the ceremony in a tradition that honors the longevity and origins of this Scholarship Awards event, retired teacher Jay Kasofsky extended the regards of Mrs. Florence Beytin, widow of Samuel Beytin, who celebrated her 101st birthday this past year.

The Young Entrepreneur's Club

The Young Entrepreneur's Club worked hard after school raising money for "The Young Entrepreneur's Award". This award is given to deserving seniors that have worked in the school store in

grader. The event was held on April 21st at the Government Center in Monticello.

In addition to beautifully framed copies of their award-winning posters, each student received additional professionally reproduced copies for distribution to family, friends and for display in the Fallsburg Central School District. They also received \$250 gift certificates from Wal-Mart. First, Second and Third Prize Winners in the categories of Grades 1-4, 5-8 and 9-12 received \$150, \$75 and \$50 gift certificates respectively.

The theme of this year's event was: "I'm the Best Me; When Choosing To Be: Alcohol, Tobacco, Gambling and Drug Free." Catholic Charities Community Services of Orange and Sullivan organized the annual contest that attracts entrants from Sullivan County School Districts. Co-Sponsors for this year's program were Susan and Stephen Miller, Merrell Benco Insurance Agency, Liberty Police Benevolent Association, Sullivan County Headstart and Town of Fallsburg Community Coalition.

Honorary Co-Sponsors were the Sullivan County Legislature, represented by Chairman Luis Alvarez, who addressed the student entrants, their families, and dignitaries from Sullivan County schools and community.

Catholic Charities offered special thanks to Kristt Company for their continued support, to the many students who participated, and to the school staff, parents, and all those who encouraged them.

TEAMS

On Saturday, June 3rd Fallsburg 8th grader Gabriella Pantel presented the digital sign she created at the county-wide TEAMS (Technology, Education, Arts, Math, and Science) conference. Each participating school was tasked with solving one problem within the community or school. The Fallsburg team chose to focus on enhancing communication of important announcements at the Jr./Sr. High School. The team initially conducted interviews, and determined that many students and staff miss

the school day on the repurposed televisions. In the photo below, you can see the working message board on a much smaller display used for developing and testing the system.
