

FALLSBURG CENTRAL SCHOOL COMET NEWS

JANUARY 2019

EDITOR - SHELLEY MARCUS • ASSOCIATE EDITOR - SARAH UNGERLEIDER • CONTRIBUTING EDITOR - LARRY SCHAFMAN

SUPERINTENDENT'S CORNER

Dear School Community Member:

I hope this issue of the Comet Newsletter finds you in the best of health and spirit this holiday season! Below are a few updates on district-wide initiatives.

Capital Project Update

We just completed the first phase of a three summer building project. The first phase included the replacement of the gym floor, bleachers and windows. We had a grand opening of our gymnasium December 3rd, 2018. The grand opening coincided with the celebration of the Jr/Sr High School's 60th birthday.

On December 3rd we held a ribbon cutting ceremony at 5:30 PM in our newly renovated gym. The ribbon cutting ceremony was for the grand opening of the gym and to memorialize the 60th anniversary of the junior-senior high school.

Present at the ribbon cutting ceremony were members of our board of education, representatives from our staff and administration, neighboring school districts, BOCES, along with members of the Town of Fallsburg board and police department. Also present was the honorable Jen Metzger, newly elected Senator for the 42nd Senate District.

The Fallsburg Jr/Sr High School opened its doors on September 8th 1958. This school year marks the 60th anniversary of that grand opening. Since then, many great people have walked through Fallsburg's hallowed halls and many great events have occurred

on our playing fields and in our classrooms. Local media, our school banners and our Hall of Fame have memorialized some of those wonderful people and events.

On May 16th, 2017, we held a building project referendum that included the renovation of the gym. That vote passed nearly 2-1 and now the renovated gymnasium is complete and ready to support decades of athletics and special events.

The gym renovation did take a few weeks longer than planned and so I would like to thank our students, our physical education teachers and our coaches who were displaced for several weeks as the gymnasium was being renovated. I would also like to thank our parents and community members who had to travel to sporting events more than usual because the gym was unavailable for home events. All who have seen our newly renovated gym agree that the wait was worth it.

Budget

While it is still very early in the process, we are beginning to put together the plan for the 2019-20 budget season. We are working on a budget timeline that will be presented to the Board of Education in the weeks ahead. We expect the budget season to get fully underway in the month of January as we prepare for the Governor to release his initial budget. This budget release usually occurs in mid to late January. We will have a series of budget workshops in the winter months as the Board of Education plans for a budget approval

in April, following the passage of the state budget on April 1st. That board approved budget will then be placed before the voters in May.

Changes in Grading Practices

The Fallsburg Central School District has initiated some changes in its grading practices to make them more truly reflective of student achievement and consistent across teachers. The district has convened a grading practices committee consisting of staff and parents to review its current practices and grading research and make improvements to grading practices.

For this year, the district is implementing two key changes to improve the consistency and quality of grading:

- a. In grades 4-6, subject averages will be changed to a 1-4 score from a 0-100 score.
- b. In grades 7-12, quarterly averages shall be no lower than a 50.

The district's grading practices committee made these recommendations in late September. Administration and staff are currently making adjustments so that the first quarter grades reflect these changes. Benjamin Cosor Elementary School administration and staff have also adjusted honor roll grade-point-average (GPA) thresholds to ensure that this recognition continues for students in grades 4-6.

Grading on 1-4 Scale at BCES

In this new system, teachers in grades K-6 will be evaluating students in each core and

IN THIS ISSUE...

SCHOOL NEWS	PAGES	4 - 6
2018-2019 SCHOOL CALENDAR	PAGE	7
SCHOOL CONTACTS	PAGE	8
KEEPING YOU INFORMED	PAGE	8

specials' subject area on a 1-4 scale. (A score of 0 on the report card indicates "not assessed." This will not be calculated into the student's GPA.)

Rating Description

- 4 Student frequently demonstrates mastery in this standard or subject area.
- 3 Student is proficient in this standard or subject area.
- 2 Student is nearing proficiency in this standard or subject area.
- 1 Student is performing well below proficiency in this standard or subject area.

Teachers of K-6 science, social studies, and specials' areas will evaluate students holistically every marking period on this scale. Teachers of English language arts and mathematics will evaluate student proficiency on each of the standards/skills listed on the report using this scale. From these skills grades, an average will be calculated that represents the students overall grade in ELA or math.

For example:

Grading on 50-100 at Fallsburg JSHS

Under the previous model, marking period quarterly grades were reported on a 0-100 scale, with 65 as a passing grade. In 2018-19, no Fallsburg JSHS student will receive a 10-week quarterly average lower than a 50. This change will reduce the range of failing grades from 0-64 to 50-64 and increase opportunities for students to persist in improving their learning later in the school year.

For example, it was previously possible for students to receive the following averages in a course:

- 1st Quarter Average: 50
- 2nd Quarter Average: 40
- 3rd Quarter Average: 45

This meant that if this student were to pass the course with an average of 65, he/she would need a 4th quarter average and a final exam score of 95 or better.

With this rule change, a similar student's scores would read as follows:

- 1st Quarter Average: 50
- 2nd Quarter Average: 50
- 3rd Quarter Average: 50

This student would then need average scores of 88 or better in the 4th quarter and on the final exam. This might inspire students to persist later in the school year to work towards passing a course, rather than being discouraged because it became mathematically improbable that he/she would pass. Students are still required to produce passing grades that result in a passing average, in order to pass the course.

Professional Development

The district is taking full advantage of its resources in providing high-quality professional development for its staff. In spring 2018, the district recreated the PK-12 content-area – and assistant-content area coordinators' positions in English language arts, English as a new language/bilingual education, mathematics, science, and social studies, to enhance its curriculum and instruction. These teacher leaders work with administrators and colleagues to review and revise curricula, as well as further explore topics with their peers in district-wide professional learning teams (PLT). The PLTs meet on every superintendent's conference day.

We have also coordinated renowned specialists to provide keynote sessions for all staff members. Alice Keeler (November 1) shared a rationale and strategies on how instruction can be made more engaging through technology. Ronald Ferguson, Ph. D., (December 5th)

revealed key insights on how boys/young men of color approach schooling and provided staff with strategies on working with them. Grading expert Thomas Guskey, Ph. D., will meet with all staff on March 13th, 2019, to discuss ways the district can enhance its grading practices. The changes the district made this year were taken directly from his work.

Bullying Prevention

School safety and student social-emotional developmental health remain priorities for Fallsburg CSD. School administration works with student services staff to respond to and resolve all complaints of bullying. Last year, the district established teacher leader positions in each school as Olweus/bullying prevention coordinators. These staff members work with administration to develop and implement bullying prevention programs, PK-12. Once a week, every student participates in a "class meeting," run by his/her teacher or another student services staff member. These topics include beginning of the year expectations, cyber bullying, digital citizenship, and peer pressure (among others).

The district will again host the Sweethearts and Heroes group in their presentation on bullying prevention. This dynamic group promotes a touching call for **H.O.P.E.: Hold on, possibilities exist**. This year's presentations will give particular focus on cyberbullying. They will also present an evening session for families and community members.

I would like to take a moment to wish our school community the very best of everything this holiday season! Happy holidays and Happy New Year!

Educationally yours,

Ivan J. Katz, Ed. D.
Superintendent of Schools

New Scholarship to be announced

A new scholarship will be awarded on July 20th, 2019, at the Fallsburg Alumni Association's 15th Annual All-Class Reunion and Luncheon.

Following the superbly successful multi-class reunion of FCS classes of 1961-1967 in September, the team of organizers agreed to designate the monies left over from the dinner to seed a scholarship to honor and recognize the positive impact that Mr. Leshner, our fantastic Social Studies teacher, had on us – his students.

Should you choose to donate to help fund this award, please send your check, made out to the F.A.A. with "Mr. Leshner" in the memo line, to the treasurer of the FAA – Eileen Kalter, PO Box 383, South Fallsburg, NY 12779.

So, mark your calendars. July 20th, 2019, for the FAA's 15th Annual All-class Reunion and Luncheon at which time this scholarship will be presented.

Dr. Ronald F. Ferguson is Keynote Speaker at Conference

On the Dec. 5th Superintendent's Conference Day the Keynote Speaker was Dr. Ronald F. Ferguson, Director of the Achievement Gap Initiative at Harvard University, Co-Founder and Senior Research Director of Tripod Education Partners and Co-Founder of the Basics Initiative.

During the sessions Dr. Ferguson explained the 7 C's of the Tripod Education Program. The 7 C's are part of the major sections with Care and Confer comprising area 1; Captivate, Clarify, Consolidate and Challenge part of area 2; and Classroom Management as area 3.

Dr. Ferguson also met with a room of early childhood developers from the Greater Hudson Valley Health System (Catskill and Orange Regional Medical Centers), Sullivan County Healthy Families, Independent Living, Sullivan County Child Care Council, Project Excel and Fallsburg's Benjamin Cosor Elementary School. He discussed the Basics Initiative for early childhood caregiving and how it could be embraced by Sullivan County.

The goal of the Basics Initiative is to help families experience positive reinforcements from many directions, including schools, child care settings, businesses, hospitals, churches, libraries and homeless shelters.

The Basics has five major components:

1. Maximize love, manage stress
2. Talk, sing, point!
3. Count, group and compare
4. Explore through movement & play
5. Read and discuss stories

Teachers and staff responded enthusiastically to the keynote address and visitations by Dr. Ferguson to individualized sessions throughout the day. Participants were eager to find out how they could bring these Initiatives to Fallsburg and Sullivan County.

FCS DISTRICT NEWS

FROM THE ELEMENTARY PRINCIPAL

Like you, your child's health and well-being are our top priority. As we enter into the cold months, please be sure that your child dresses in layers. If your child is in need of a coat, hat or gloves, please contact our school nurse, **Ms. Merriann Hobby at extension 3263** for assistance. As the cold and flu season is upon us, please continue to encourage your child to wash his/her hands. If they are coughing or sneezing, please remind your child to "cover up" with their elbow to contain the spread of germs. If your child is running a fever or vomiting, please keep your child home for at least 24 hours or until he/she is "fever-free." As always, when absent, please contact your child's teacher and the school nurse, as well as send an absent note the day your child returns to school.

We have many exciting events scheduled throughout the year. Please check your child's bookbag on a daily basis so you are aware of communication from school to home. We also send home a bi-monthly calendar of events that includes two months of upcoming activities. In addition, please "like" and "follow" us on Facebook @Benjamin Cosor Elementary School. Here, you will find weekly updates on the "letter" day of the week and any new or upcoming events. This is a quick and convenient day to keep up on our daily happenings!

On behalf of the students and staff of BCES, we wish you and your family a happy, healthy and safe holiday season!

Mary Kate Stinehour and the BCES staff

From the Elementary Assistant Principal

Beginning this academic year, there is a new role for the Benjamin Cosor Elementary School Social Workers. In addition to their work of supporting the students, both individually and within groups, as well as serving on CSE meeting groups, they have been moving into the classrooms and helping students with their conflict-resolution, positive peer relationship, and social skills.

Beginning in October, the social workers began to visit classrooms. The subject(s) of their talk(s) has been planned in advance. Those themes are; social skills, character education, conflict

resolution, and positive self-image building. The social workers will visit each topic twice and have designated that one month's subject will be based upon student need.

In addition to the social workers' talks, there is a mechanism for classroom teacher, as well as student feedback. At the conclusion of the session, the teacher and the students will complete an exit ticket, which the social workers and Ms. Russell, the Director of Pupil Personnel Services, will, review.

So far, the social workers and Ms. Russell are enthusiastic about the program. Ms. Mongillo stated that, "it is great to get to know the students in a different environment." Ms. Newton mentioned that, "the teachers have provided some very positive feedback, and they love that they can refer to the lessons when addressing their students." Ms. Russell remarked that, "We are hopeful that these meetings serve to build positive connections and improve the BCES learning environment."

Dave Viglione

BCES Chorus Students Accepted to the All County Music Festival

This year, 16 BCES Chorus students will participate in the SCMEA All County Music Festival. The festival is on March 2nd, 2019 at the Liberty High School. The Chorus students were chosen based on their musicianship and dedication

to the school chorus program. In March they will join other chorus students from around the county to perform in a choral concert conducted by Cara Bernard, a University of Connecticut music education professor.

BCES chorus students participating in this year's SCMEA All County Music Festival are:

Leah Exner Receives STAR Award

Periodically Fallsburg Central School District school and community members will recommend a staff member or teacher for a prestigious STAR Award. The Superintendent of Schools, Dr. Ivan Katz, presents the Board of Education with his recommendation for someone who has "gone above and beyond and made a difference in the school community."

At the Board Meeting of December 5th, 2018, Dr. Katz and the BOE were delighted to present Ms. Leah Exner with the STAR Award. Ms. Exner was nominated for the STAR award by Board of Education Member, Arlene Hussey. Ms. Hussey recommended Ms. Exner because for the past two years the now first grade teacher has been working tirelessly to complete and open a mile long hiking trail behind the school building. The idea began as a dream to restore an overgrown and "virtually lost" trail begun many years ago by Ms. Exner's predecessors.

She garnered grants and organized in-kind donations of materials, equipment and labor from dozens of local businesses, government agencies, and individuals to bring her dream to fruition. The true honor to Ms. Exner is for her love, dedication and countless hours of hands-on hard work. Directly supported by her family, with husband Paul spending hours on back-hoes and other machines, with her children and her mother-in-law volunteering their services, Leah Exner was on the work site morning, evening and weekends no matter what the weather. This was and remains a labor of love!

Fallsburg Jr/Sr High School Acknowledges Honor Roll Students at Breakfast

This year the School Administration and the Student Government Association (SGA) presented Honor Roll students from the First Quarter of 2018-2019 with special breakfasts at the

FCS Senior High School Honor Roll

opening of the school day in the cafeteria. Seventh and eighth graders received their awards on Friday, November 16th, and ninth through twelfth graders received theirs on Monday, November 19th.

FCS 8th Grade Honor Roll

Eighty-eight students earned Superintendent's Honor Roll Awards, and one-hundred thirty received Honor Roll Certificates. Interim Principal Ms. Dalila Serrano acknowledged the students on both days. With great enthusiasm, she expressed her pride in them and shared what was important in her own educational experience with the following message: "You are your best representative. Learn to be your own cheerleader! I've got this (holding high an Honor Roll Certificate)! I am a winner! Get a good education. Be kind and be gentle with yourself.

Following these inspiring words, the Jr/Sr High School Positive Behavior and Intervention Services (PBIS) Program staff, Daniel Redmond and Evan Mullen, praised the students for their hard work and achievement. Next the PBIS and Co-Faculty Advisors of SGA, Ms. Elisa Baum and Ms. Isabel Mejia, held a raffle for nine lucky students to win pop pockets and smart wallets with Fallsburg logos for their smart phones.

Ribbon Cutting Ceremony for Newly Renovated Gymnasium

On December 3rd, 2018 the newly renovated gymnasium was opened for use by the Fallsburg High School Girls Junior Varsity and Varsity Basketball Teams. Superintendent Dr. Ivan Katz welcomed everyone to a ribbon cutting ceremony at half court between the two games and recognized many dignitaries on hand for the special evening.

Members of the Board of Education, representatives from the school district staff and administration, neighboring school districts and BOCES were present, along with members of the

Renovated Gym Ribbon Cutting

Town Board and Police Department. Members of the Sullivan County Legislature and the State of New York Legislature, including the Honorable Jen Metzger, newly elected Senator for the 42nd Senate District, came to celebrate the occasion.

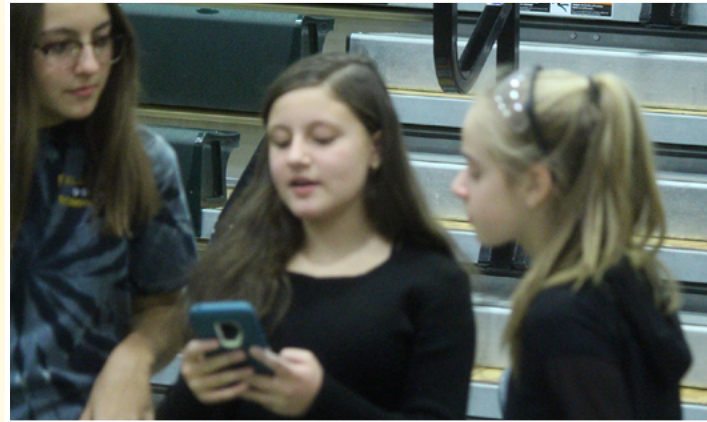

Dr. Katz informed everyone that 2018 is the 60th anniversary of opening the doors at the Fallsburg Junior-Senior High School on September 8th, 1958. He thanked the Fallsburg voters for supporting the building project referendum in May of 2017 that included the beautiful new gym facility for future athletic and other district events.

Director of Physical Education and Athletics Suzanne Lenzian and BOE President Debra Barbiani cut the ribbon held by two senior members of the Girls Varsity Team. Directly behind the ribbon was a banner commemorating the 60th Anniversary of Jr/Sr High School Building that was held by two other senior basketball teammates.

FJSHS and SUNY Sullivan Co-Host Catskills New Bot Battle

The Fallsburg Jr/Sr High School and SUNY Sullivan Robotics Teams co-hosted the Third Annual Catskills Bot Battle on Saturday, December 15th at the SUNY Sullivan Paul Gerry Fieldhouse. Twenty-seven schools from throughout New York State fielded Robotics Teams.

Fallsburg High School Coach and Technology Teacher Don Thomas and SUNY Sullivan Computer Science Professor Cynthia Marcello organized the day-long competition. Dozens of family, friends, classmates and aficionados of robotics filled the field house seats.

At the end of the competition, VEX Robotics, Official Sponsor of these international events, congratulated Fallsburg teams 99561A and 99561E. They qualified for the New York State Championship from Skills based on this season's new Qualifying Criteria!

Double-qualifications at an event are awarded to the next highest-ranked team on the Robot Skills list that did not qualify at the tournament. Note there is no look-back to see if a team qualified at a previous tournament.

Thanks go out to the following groups and businesses for making the New Bot Battle a major success: SUNY Sullivan for providing the awesome venue and student volunteers; FCSD School Board and Administration; FHS for contributing a great staff of volunteers, including parents and students; Kristt Kelly Office Systems Corp. in Monticello, NY for printing programs; and Yanni's Restaurant in Monticello, NY for feeding the volunteers.

Local businesses who would like to help sponsor or support future events, or students who would like to get involved and earn volunteer time should contact Don Thomas at dthomas@fallsburgcsd.net or (845) 434-6800.
