## A Note from the Director & Assistant Director:

Since January is the start of a new year, we thought it was important to make sure our parents/guardians know our staff in each department who work very hard to support our students. If your son/daughter works with one of the above staff members and you have questions/concerns, please reach out so that they can support you and your child..

**FCSD is a safe, nurturing environment, where excellence is expected, diversity and individuality are celebrated, and learning prepares students to face the challenges of an ever-changing global society.**
