Sullivan 180

As part of the Empowering Healthier Generations grant sponsored by Sullivan 180, BCES has been utilizing The Walking Classroom that is available for grades 3-6. Essentially, students can learn on the go by using a handheld device that plays educational podcasts! Sessions take place during ELA, Science, or Social Studies classes. Students have used them indoors and out! This grant has put us in a grant competition where our school is in the running to win \$50-75K that would be used toward other wellness programs.

Fallsburg CSD hosts 73rd Annual Samuel Beytin Scholarship Dinner

On May 24, 2023, the Fallsburg Central School District hosted its 73rd annual Samuel Beytin Scholarship Award Dinner. Graduating seniors, Aisha Darboe, Najuwa Ladan, Laura Marquez Vasquez, Kayalah Brewster, Isabella Frunzi, Andrew Rein Jr, Cyriah Russell, Samantha Medina Garzon, and Nicholas Muscia, were awarded scholarships for their high academic achievement, potential for success, and commitment to serving their community.

The scholarship dinner is a long-cherished tradition for the district. It began when a small group of Fallsburg teachers in 1951 decided that a scholarship fund was necessary to help local students fund higher education costs. This endeavor led to the creation of the Fallsburg Central Community Scholarship Fund (later named in honor of former Fallsburg Teacher, Samuel Beytin).

The scholarship fund is considered unique for New York State. It is paid through interest or donations and managed by a Board of Trustees consisting of teachers, administrators, the PTA, and community members.

“To get to this evening, our entire school community has played a part; teaching, guiding, supporting, and watching our students grow into the young adults they are becoming,” said Superintendent of Schools, Dr. Ivan Katz. “I would like to thank the scholarship committee members who undertake ongoing efforts to raise money, to plan for this annual event, and to make it possible for students, each year, to take with them scholarship funds that help to offset the very expensive college costs that exist today.”

Fallsburg Seniors Named OCIAA Scholar Athletes

The annual OCIAA Senior Scholar Athlete ceremony took place on June 1, 2023, at the Country Club at Otterkill in Campbell Hall, NY. Two seniors from each school were invited to be recognized for their academic and athletic achievements.

This year, Cyriah Russell and Andrew Rein Jr. represented the Fallsburg Central School District. Cyriah Russell finished sixteenth in her class with a GPA of 90. She played cross country, cheerleading, and indoor and outdoor track and field. She was the throwing captain for both the indoor and outdoor track and field teams. In Shot Put, she placed 2nd in the division championship and 3rd place in the Sullivan County Community College Championship. Upon graduation, she intends to major in Art Teacher Education at Nazareth College.

Andrew Rein Jr. is ranked fourth in his class and will finish his high school career with a GPA of 96. He was captain for the football, basketball, and baseball teams. In football, he was named Section IX All-Star and school MVP for the 2021-2022 season and All-League for the 2022-2023 season. He plans to study Pre-Med at St. Thomas Aquinas College and play for their sprint football team.

The Fallsburg Central School District is proud of their future.

Congratulations to our Kindergarten graduates!

We are proud of your terrific accomplishments and wish you the best of luck as you head into first grade. We can't wait to see what all of you will accomplish!

Congratulations to our High School Graduates!
