

The Celia M. and Harry A. Dill Memorial Scholarship

This scholarship is offered in loving memory of both Celia and Harry, who were long time residents of the Town of Fallsburg and the owners of Dill's Hardware in Woodbourne. Throughout their lives, both Celia and Harry emulated not only to their family, but to the community, the importance of love and acceptance of all others.

This scholarship will be designated to a graduating senior at Fallsburg HS who has shown the desire to love and respect all beings, one who has already given themselves in service to others through community involvement and volunteerism. One who will be continuing their education in a public service field that will help make the world a better place.

Student's Name_____
